Mr. Alnajjar,

I looked through my QuickBooks account and here's what I found:

Last year, I paid \$1,010 for the power (check #2630 issued on 12/7/15. However, because the installation was very late, the power was never hooked up. I requested credit for that.

Therefore, when submitting the payment for the power for this year, I submitted a check for \$670 (check #2808 on 7/27/16).

I hope this helps.

Once again, thank you for your assistance.

Happy Thanksgiving,

Subject: San Pedro Holiday Lighting for 2016-2017 season

To: Ed.Ebrahimian@lacity.org

Mr. Ebrahimian,

I am reaching out to you to discuss the installation of the holiday decorations for the San Pedro Historic Waterfront Business Improvement District for this coming holiday season.

Last year there was a mix up and we needed to react quickly. We were charged for the power but the decorations were never connected to any power source.

I would like to begin the application for this season early but would like credit for the power we did not use last year.

Attached is a draft application for your consideration. Please let me know if this is acceptable to you.

Best regards,
